Dear Superintendent Ward:

I am pleased to inform you that on June 27, 2001 the Committee on Accreditation, on behalf of the Commission on Teacher Credentialing, acted to remove the technical stipulation placed on Compton Unified School District. As a result of the above action the accreditation status of Compton Unified School District is changed from "Accreditation with a Technical Stipulation" to "Accreditation".

Should you or your staff have any questions relating to this action, you may address them to Lawrence W. Birch, Administrator of Accreditation, at (916) 327-2967.

The Commission and its staff are grateful to Compton Unified School District for its commitment to the preparation of professional educators.

Sincerely,
